hello!

Hi, and welcome to The Hygge Suite! We're a husband and wife team accompanied by our baby girl and two Cockapoos. Originally from the UK, we've lived in Minnesota since 2015, and love it – even the winters!

We love the outdoors and nature and when we found Giants Ridge Ski and Golf resort on a snowboarding trip, we instantly fell in love.

We came back in the summer to get away from it all, after a particularly stressful time at work for both of us, and that was it – we were sold!

The Hygge Suite concept is about getting away from it all. Something that is so important in today's fastpaced world. Being away from the cities, surrounded by nature allows you the time to unwind, relax and reconnect. The word "hygge" is Danish and means to have "a calm and comfortable time with friends and family; an atmosphere of warmth, well-being and coziness, enjoying life's simple pleasures."

This is exactly the atmosphere we wanted to create for our guests, and perfectly describes the mission of The Hygge Suite.
